Proactive Assistance in Wisconsin Small Claims Court

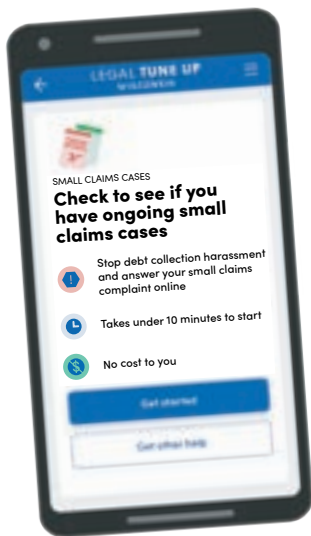

Navigating the small claims court system can be overwhelming and complicated, causing many to ignore the cases filed against them. Knowing your rights and understanding the system is the first to contesting these cases.

The Legal Tune Up can search CCAP to identify pending small claims cases and guide users through next steps

The Legal Tune Up tool:

- Provides user-friendly digital access to a Legal Tune Up and self-help tools
- Sets up text reminders for upcoming court dates
- Auto-fills legal forms for court filings with the appropriate county
- Fills out and sends letters to creditors to stop debt collection harassment
